Festival participation is considered a school function ONLY when the student's school choir, school band, or classroom speech choir is participating. If a student's classroom speech choir is participating, we attempt to schedule individual/group Speech Arts performers from those classrooms immediately after the classroom's performance so that their teacher is in attendance. If this is not possible, and in all other cases, it is the responsibility of caregivers to ensure their children are at Festival sessions. Please take this into consideration prior to entry submission.
